PRESS RELEASE:

Rock 16V Advanced AGM Racing Battery

Keyser Manufacturing is now offering the Rock 16V Advanced AGM Racing Battery and Charger. Weighing in at 42 lbs., this 2 post battery provides more cranking amps and reserve minutes. It can be installed in any position with no need for water. The charger is designed specifically for motorsports and easily switches from 12v to 16v operation to recharge the 16v racing battery.

PART#: 100 68864 (Battery)
100 68864-12-16CH (Charger)

Keyser Manufacturing is a “total solutions provider” of racing products and components, offering the latest in technology and design.
